

2026
Commencement
2020

LETTER FROM THE PRESIDENT

Today, we gather to celebrate a powerful moment in your lives. Your graduation from the Community College of Aurora marks the culmination of hard work, perseverance, and determination, and it stands as a defining milestone in both your personal journey and the ongoing story of our institution.

For more than four decades, the Community College of Aurora has served as a place of opportunity, access, and transformation. Since our founding, we have proudly awarded tens of thousands of degrees and certificates, each one representing a learner who chose to believe in themselves, invest in their future, and pursue something greater. Our mission has remained constant through every season to transform lives through education and workforce pathways that create meaningful opportunity and economic mobility. Class of 2026, today you become part of that legacy.

Your journey has required resilience, adaptability, and courage. Many of you balanced work, family, and responsibility while pursuing your education. Some of you were the first in your families to attend college. Others returned to the classroom to reinvent yourselves or open new doors. Every path represented here matters, and every story strengthens who we are as a college.

As you take your next steps, I encourage you to carry forward the values shaped here. Lead with purpose. Act with integrity. Stay curious. Remain committed to community. Use your education not only to build a successful career, but to contribute meaningfully to the world around you by leading, serving, and uplifting others along the way. The future needs your voice, your talent, and your leadership.

To the families, friends, faculty, instructors, and staff who have supported our graduates, thank you. Your belief, guidance, and encouragement have been essential to this moment. This achievement is shared, and today we celebrate the collective effort that made it possible.

Class of 2026, congratulations. You have earned this moment. May your next chapter be guided by purpose, sustained by resilience, and filled with continued growth and achievement.

With pride and gratitude,

DR. MORDECAI IAN BROWNLEE
President, Community College of Aurora

OUR VISION

We aspire to be the college where every student succeeds.

OUR MISSION

Community College of Aurora (CCA) serves our diverse community by providing high-value instruction and support services to advance educational attainment, workforce readiness, and upward socio-economic mobility.

OUR VALUES

We are committed to:

- Belonging
- Respect
- Adaptability
- Vision
- Equity

Translation and Interpretation: Medical Certificate

- Jose Andres Duarte Saavedra+ (Fall 2025)
- Jenifer Ferreira (Fall 2025)
- Ana D. Romero (Fall 2025)

ACADEMIC GOWNS AND REGALIA

Academic gowns represent a tradition which comes down from the universities of the Middle Ages. At that time they were a common form of dress for faculty and students.

The usual color for academic gowns is black, but the official color of the Community College of Aurora gown is maroon. The bachelor's gown has long sleeves; the master's gown has slits in the elbows of the sleeves; and the doctoral gown is trimmed with velvet bands. Caps, originally round, later became square mortarboards.

The hoods once served as cowls which could be slipped over the head for warmth. Hoods are lined with colors of the college or university from which the wearer received their degree. The trimming or color of the hood designates the degree.

Individuals noted with a Spring 2026 or Summer 2026 date are still subject to full, successful completion of credential requirements prior to degree confirmation.

PRESIDENTIAL MEDALLION

The presidential medallion is worn by the President of the College at all Commencement Ceremonies as a sign of honor and regard for the institution's academic leadership. The medallion is imprinted with the official seal of Community College of Aurora, and is inscribed with the former presidents of the institution and their tenures.

MACE

Historically, the mace is a symbol of authority dating from medieval times when knights carried them during processions leading the way before their kings or other dignitaries. As the tradition grew, the mace became a ceremonial symbol of peaceful leadership, and maces were embellished with jewels and metals. Today, a college mace represents a symbol of authority and the mace bearer leads the ceremonial procession and is carried before the president or chancellor and platform-party dignitaries during commencement and inaugural and other academic ceremonial processions.

PROVOST'S CHAIN OF OFFICE

The Vice President of Academic Success (VPAS) is the senior academic officer, with duties ranging from ensuring quality instruction, faculty recruitment and support. Like the president, the VPAS wears a symbolic necklace called the Provost's Chain of Office. The chain of office features small nameplates honoring the names of CCA's former senior academic officers. The medallion itself is the seal of the Community College of Aurora.

CCA'S EXECUTIVE LEADERSHIP

The Community College of Aurora is led by an extraordinary group of academic leaders and administrators, who represent a wide range of disciplines and specialties across campus.
