

**General Information:**

1. Degree Policies and Procedures are in the Catalog online at [www.CCAurora.edu](http://www.CCAurora.edu).
2. If you plan on transferring to another institution, contact an advisor before registering.
3. You must apply for graduation mid-semester prior to your final term. See Semester of Classes for the exact deadline date.
4. This AAS program with an emphasis in Tech Management is a program for students who are working on or have completed a CCCS approved certificate from Pickens Technical College. This degree requires the completion of at least 62 semester credit hours. Credits from Pickens Technical College that apply to the degree vary in number according to the certificate program offered by Pickens Technical College. A maximum number of 30 certificate credits may be applied toward the Management, Tech Management Emphasis degree. Students must complete at least 32 credit hours at CCA. Students whose certificate program taken at Pickens Technical College requires less than 30 hours must complete more than the 32 required credit hours at CCA in order to bring the total number of semester credit hours to 62. Courses needed to meet the total number of credits must be either from the approved General Education course list or Business and or Computer courses approved by a CCA Department Chair.
