ACADEMIC PROGRAMS

CCA offers 47 associate degrees and 25 certificates. Of the associate degrees, 18 are degrees with designation that allow students to transfer to a public Colorado college or university as a junior in that field.

GUIDED PATHWAYS

Guided Pathways is a framework to work with students via specific goal-planning and holistic services to increase retention, persistence, and completion. It follows four principles: 1) create a clearly defined path toward a degree/certificate; 2) provide assistance to students to choose their best path; 3) use wraparound services to keep students on the path; and 4) ensure student learning.
