DETAILED SEMESTER SCHEDULE

CCA offers **Accelerated Courses** in the classroom and online. Accelerated courses cover the same content as full semester courses but at a faster pace. You will complete the same amount of reading and work in an accelerated course just in less time.

*The Last Day to Drop is the deadline to drop a class and have it removed from your record and to receive a refund of tuition and fees for the course.

**The Last Day to Withdraw is the deadline to withdraw from a class (no refund) and have a W grade recorded for the course.
