2026-2027 Overlapping Aid Clearance Letter

Entire Form must be completed in black ink.

The Department of Education has notified the Financial Aid Office that you currently have a financial aid award at another school. This may affect the amount of funds you are eligible to receive at CCA. Students may only receive financial aid from one school at a time. If you wish to pursue financial aid with CCA, please cancel all awards that you have pending at any other institution and have them complete and return this form. If you are transferring to CCA between terms, aid utilized at another college may impact your aid eligibility at CCA.

If you have already received aid for the current semester and your loans are in excess of annual borrowing limits or federal aggregate borrowing limits, it may be necessary for our office to adjust and/or reduce a portion of your already disbursed Federal Direct Stafford Loans. If you have not received aid for the current semester, the information provided on this letter will allow our office to accurately package your aid, provided you have a completed financial aid file.

In order to ensure that you are awarded in compliance with Federal Regulations, you will need to obtain the following information from your previous school(s).
